Nearer Than Your Breath

The article I offer today provides an opportunity for a delicious insight for you, and it is based on your life. This is to discover those sacred, holy moments you have had that brought a different experience to you, different than what you might see as your day to day way of living. These are moments that let you experience the grace that is yours; the nature of your existence as a creation of God. I'm comfortable in bringing this topic up, because I am convinced each of us has had such experiences; perhaps you find such experiences occurring frequently.

These are moments when you receive an inspiration, when you have an experience of clarity about an aspect in your life. Yet they did not occur through your thinking. They certainly weren't planned or expected. Yet, you were inspired, and most likely called to an action of some sort—an action that brought along a sense of peace, of certainty, and of calm acceptance.

Can you recall such instances? Great!

"Nearer than your breath" speaks to the nature of God's Presence in you. For I suggest that inspiration, that guidance you receive in any instant is sourced in your open mind in that moment. This source of inspiration represents that spot we all share.

Whatever label you choose, that inspiration is sourced in a higher truth, a higher state of existence than we are normally experiencing in our day to day lives. And I also believe that whatever the answer, it is an answer that is for the highest good of all. It is most likely guidance for one individual's realization and action; I am convinced however that many, if not all, benefit from such a gift.

"Let us create humankind in our image and likeness..." (Genesis 1:26) speaks to the nature of our creation. This does not speak of our physical form, although that belief has been the tendency

through history. Instead, this speaks of our capabilities, our potential; it speaks to our divine nature. Awareness of this each moment is our opportunity; the insights I've mentioned above represent the good fortune available for us to live in a greater sense of peace and opportunity.

Personally, my favorite message to explain the nature of our lives is that of the Prodigal Son (Luke 15:11-32). Verse 17 states, "He came to himself," which subsequently led to his insights and the direction for him to take. That "awakening moment" equates to what I am addressing here. He remembered who he is as his Father's Son. In that moment of clarity, he developed his plan to return to his father. That re-remembering did not mean he learned something new. Instead, he recalled who he is as his Father's Creation, and subsequently realized his steps to take.

"He came to himself" represents the inspiration I'm offering. The actions to take going forward are then realized when our mind is in that inspired state. And that is our opportunity. As Prodigal Sons and Daughters; the gems or gifts I've mentioned are our means of "coming to ourselves." And they are more available than we could imagine.

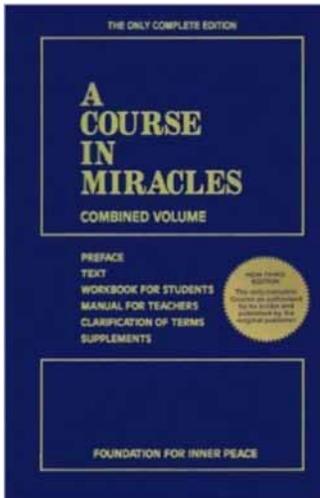

On a personal note, I had an awakening experience at age 40. when I felt my life was in complete disarray, I had a moment of peace, a moment I would describe as the point I experienced love of myself for simply who I am—not based on any accomplishment or what I believe, and certainly not something I could plan. Instead, I found a moment of simply being, simply accepting myself.

That pivotal moment redirected my life towards my pursuit of spirituality and has brought me to the ministry—an answer to a call in me I wasn't aware of previously.

In retrospect, I now recognize examples of those instances have permeate my (our) lives—not that dramatic, perhaps not that urgent. I recognize now in that instance, I was ready and open.

Coming to Unity Chapel in Hemet- An Introduction to A Course in Miracles

Facilitated by Rev. Bill Heller, Senior Minister, Unity Chapel of Hemet

Join us to learn to “remove the blocks to the awareness of Love’s presence, which is your natural inheritance.” Since its initial publication in 1976, *A Course in Miracles* had befuddled many with the curious statement, along with the rest of the introduction. That same introduction finishes with:

ner of living. One that brings more happiness, more peace, and through greater clarity, find new directions in their means to addressing life’s matters.

Having had an awakening experience in 1990, Rev. Bill was introduced to *A Course in Miracles* late in 1991. What he found then was this material most accurately explained and furthered what he was then experiencing. Since 1993, Rev. Bill has facilitated study groups, lead workshops and retreats, written articles and co-authored a book on Unity and *A Course in Miracles*.

Rev. Bill now brings this experience and commitment to the Hemet-San Jacinto area. Join us for a weekly class that commences on **Tuesday, July 11**. The class will be held at Unity Chapel, at 140 N. Buena Vista St. in Hemet, and will be held **1-2:30 p.m.** You will need a book (The Foundation for Inner Peace edition), and if you’d like us to order one for you (\$20) please contact us by Tuesday, July 4. The cost of the class is \$5 each session, and no one is turned away. For more information or to register, please contact the Unity Chapel at (951) 658-4290.

***“Nothing real can be threatened,
Nothing unreal exists.
Herein lies the Peace of God.”***

Within a short period of time, many of those who have begun this study, or course in life, find themselves experiencing a different man-

Nearer Than Your Breath continued from page 1

Earlier in life, while such opportunities had been presented, I was not open to accept these. I welcome them now, and am clear these answers are the ones I truly want.

St. Paul states, “I die daily” (1 Corinthians 15:31). His message here is his willingness to release his previous beliefs about himself to a new consciousness, a new state, a new level of awareness. That is not unlike the opportunity of which I speak.

I’m not encouraging anyone to follow this path to a ministry. Instead, to accept the answers you are looking for in your own lives, to live as you’d wish, and experience the fullness you may find. Again, those insights, those inspirations are nearer to you than your breath. Simply be open, and discover what you’ll find.

Hospitality Team News

Our Team is very blessed and feeling extremely happy to have new flooring in the Fellowship Hall kitchen. We want to thank everyone who contributed. Also, we would like to thank our Handymen, Daniel Whitmer and Corey Laughy for installing the floor. What a difference it has made! Thank you!!!

We have had a very busy last couple of months—from our regularly scheduled “Your Choice” Sundays, to Fundraising with the Youth Ministries, and memorial services with the Sunshine Team. We are all still beaming from ear to ear with how much we were able to help raise for the Kids To Camp for summer of 2018 at the Father’s Day Potluck. You helped make that happen too. We thank you.

We would also like to thank those of you who make love offerings to the Hospitality Team. Your offerings help by going towards purchasing the supplies needed to have a successful and pleasant Friendship Hour after each Sunday Service. Drinks, condiments, toilet paper, trash bags, everything needed for Sundays is bought with your Love Offerings, and for that we thank you. Don’t think a dollar per person doesn’t go a long way—it does, and we’re very appreciative for that.

We look forward to seeing you each Sunday.

Blessings,

Kay Cummings, Hospitality Team Leader

MATTERS of the HEART

Living the Tao Te Ching
by Dr. Wayne Dyer

Sharing of the *Tao Te Ching*, which is usually translated as “the way” or “the path,” is another way of looking at and understanding God’s universal creative life force flowing around and through all things.

Unity’s own Charles Fillmore stated, “The one who has made union with *divine love* through his inner consciousness, who lets it pour its healing currents into his soul and his body, is fortunate beyond all description” (Fillmore, *Talks on Truth*, p. 60).

Come join this ascending consciousness class for a more in-depth knowledge as we bathe in God’s *river of flowing energy* while dealing with our individual life lessons.

Class meets every other week on Thursdays from 10:00 a.m. till 11:30 a.m. at Unity’s administrative building. *Class dates for July and August are as follows:*

July 6 and 20, August 3, 17, and 31

As “students of life” we all have contributing roles in the building of a better and more joy-filled world.

Youth Ministries

Our Youth Ministries is looking for volunteers who would like to help teach our children the principles of Unity, by teaching a Sunday School Class one regularly scheduled Sunday each month. If you're great with children, and would love to have the experience of teaching our children on how to be the best Unity Chapel Kid ever, please see Mitzi Carver for details..

PAID POSITION AVAILABLE

Childcare Provider

Unity Chapel, along with Youth Ministries is currently looking for someone 18 years or older, that would like to apply for the position of Childcare Provider for every Sunday, 9 am - 11:30 am, and when needed for special occasions.

NEW PROGRAMS NEED VOLUNTEERS:

Are you looking for a way to support Unity Chapel further? We've identified three new programs we would like to initiate, and we're looking for volunteers. Perhaps you have some special skills in one of these areas. They are as follows:

- ***Prosperity Achievement Team*** - We would like to find those within our community who have skills that can assist us in managing our ongoing prosperity. Ideal skills include Fund Raising Development and Financial and Business Planning.

- ***Marketing Team*** - Do you have experience in marketing, or would you like to get involved in promoting Unity Chapel? In addition to traditional local marketing, we'd love this team to have oversight into our Web site and Social Media activity.

- ***World Day of Prayer*** - Unity's World Day of Prayer will occur on Thursday, September 14. We'll have several activities associated with the setup, promoting the event through Hemet, and holding the World Day of Prayer service at 6 PM that day.

- ***Social Media Team*** - This is a brand new team for Unity Chapel, with Angela McQuown as Team Leader. If you are interested in brainstorming and implementing ways to help our Unity Chapel reach out to more people through social media, please see Angela McQuown for details.

Each of these opportunities are here to support our growth and development in the future. They are also opportunities to join the existing leadership of Unity Chapel, and expand our team building efforts for the future.

If you'd like to volunteer, or learn more about what's unfolding here, please contact Rev. Bill or the Board of Trustees.

SOUPSTONES

The team we call Soupstones has been serving a dinner to the residents of Valley Restart on the first Tuesday of the month for over 10 years!

We serve a chicken tortilla casserole most months. Two people pre-cook & debone 20 lbs. of chicken and assemble the casseroles. Pre-cooking is done in the morning and the assembly is done from 3:30 to 4:30. A third person comes in for an hour about 3:00 and makes the big green salad. Then at 5:45, 4 people arrive to carry the food to the dining room and serve the meal; this takes about 35-45 minutes.

We are told our casserole is one of the favorite meals there, probably because it does not include any pasta! It is a heart-warming experience. The staff and residents are most kind and appreciative. The kitchen is clean. So, I invite anyone who might be interested in a new way to contribute to the programs of Unity Chapel to come and join us! You can also catch me in church anytime to ask questions.

Sharing Experiences At Unity Chapel

The Enneagram Class was a chance for me to evaluate my personality, how I perceive/interact with others, and what or who stresses me or makes me feel unsafe.

Perfectionists are my stressors, even though we have a lot in common:

We have "care and concern for others," but go about it differently. Perfectionists hold their positions and standards, often rigidly, wanting others to change. While Mediators (like me) readily adapt by "going with the flow," often losing sight of their own positions.

I also now understand that Perfectionists tend to be more task oriented, and Mediators (like me), tend to be more people oriented.

I admit to being very people oriented, but somewhat task oriented too.

Which leads to another self-awareness:

I will do 10 unimportant tasks to avoid 1 very important one.

Like today for instance, writing this paper was daunting for me. So I began to avoid it with physical tasks I could do with ease. Watering, sweeping, doing dishes, talking to neighbors, reading my mail, sitting in the sun running a de-fleaing comb through my dog's hair, etc. I was aware of what and why I was doing it—to avoid writing a paper I wasn't sure would be enough.

AWARENESS AND DESIRE ARE THE KEYS TO CHANGE!

I now understand why tasks are more important to some people and why people are more important to others, and that both personalities are open to change.

I intend to retake the class should it be offered again, just to see my personal progress and what has changed.

Women of Unity

The Women of Unity energetically rise in faith consciousness, as LIGHT BEARERS, enlivening greater GOOD; knowing LOVE GROWS HERE!

I really liked my first paragraph describing who we are, and thanking all our volunteers that are female, in the last newsletter. I'm going to use it again this newsletter.

Who are the Women of Unity? If you attend church and are female **you are** one of us! You have the creative powers to make things happen! We honor all the women volunteering in different positions. From Hospitality, Soup Stones, Ambassadors, Sound, Facilities, Sunshine and Power Point, you are a true blessing! You are a huge part of what makes Unity work. You provide the positive force that fills the Chapel with Love. We thank every one of you. If you attend our church on Sundays you are part of us as well. It's all about love.

On May 18th, we met at The Golden Moon and had a fantastic lunch. We don't have a formal business meeting, so after lunch if I've been asked about Women of Unity helping with any-

thing I bring it up. Our Labyrinth needs repainting and they wondered if we could be of help. It wasn't a job that 60-70 year olds were up to volunteering for. Mitzi Carver is my most creative idea woman and we have options to get it done correctly. It will be done in October when the weather permits. Are you interested in helping?

June 29th found us meeting at *The Lazy Dog* in Temecula.

We are skipping July's get-together—lots of vacations. **August 10th**, will be our scheduled **BUNCO** date. We will meet for lunch at 11:30, at **Milano's** on Stetson Ave. They have other things besides Pizza! After lunch we will head to Seven Hills to Diane Pearson's house for the bunco party! We will have maps to make it easy. Don't miss this one. Bunco is a "learn as you go" game. No experience necessary.

Girlfriends lighten our trials in life and smiles add to your beauty!

Blessings, Cookie Scott

Youth Ministry

We are so excited that three of our children attended the Unity Summer Camp this year! Abby M., Natalie M. and Zack W. attended the camp in Wrightwood for the week of June 18. Thank you to everyone for supporting our Kids to Camp fund raisers because your generosity has helped our children have this wonderful experience. We appreciate you all :).

I want to thank both Kaylee McQuown and Cassidy Laughy for helping me to teach and care for our children this last year. They are leaving the Youth Ministry Team to follow the next step in their lives, and I know God's love is guiding

them to their highest good. Corey Laughy and I will continue to teach the Sunday lessons and do welcome more volunteers. Anyone who is interested in joining us can contact Mitzi Carver through the church office. Thank you!

On July 30, Nathan and Angie McQuown will share their musical talents with the children for our Enrichment Sunday. We are looking forward to singing along with them :).

God Bless,

Mitzi Carver

Sunshine Ministry

Vision: We are of One Life, One Mind, One Heart; realizing goodness as the prospering unified principle in every life.

The Sunshine Team has evolved into a wonderful, loving connection for our church. Our Unity Sunshine Team is small but mighty! The outpouring of love comes naturally for our band of Unity Angels. Our able team consists of Rev. Bill Heller providing pastoral care, along with Rev. Leora Nash, Cookie Scott, Rene Allison, Jan-Marie Gruse, Edie Sweeten, Irene Barnhouse, Gail Daigh, Mitzi Carver, and Judy Bjorklund. We welcome new members! Want to join us and perhaps call those who need a kind word?

We are a family at Unity and we need to converse as family. We need you, not necessarily as a formal member, but we need more awareness of those who would benefit from receiving a card. Let us know who you think could use a card. We have cards for every occasion.

Our next meeting is August 3 at 1:30. We meet at Polly's for lunch at noon before the meeting. Please let Cookie know if you are coming for lunch so she can reserve a table large enough. Come join us. The newsletter will be out before our next meeting so please call Tricia in the office for the next meeting date.

We send our love and sympathy to Rev. Dianne Nockey. Her beloved Chuck made his transition right before his 90th birthday. Rev. Dianne has moved to Carlsbad only fifteen minutes from daughter Kristin. Chuck's ashes were scattered at sea surrounded by family and friends. If you wish to be in touch with Rev. Dianne please call the office for her phone number.

We send love and sympathy to Rev. Penny Hayhurst. Her dear husband Don made his transition near his 90th birthday as well. Rev. Penny spoke at our church when Rev. Leora was absent. She grew up in Unity and was able to share so

much history of Unity when she spoke. We send "Angel Wings," surrounding her to help her heal.

We send our love and sympathy to daughters Patty and Kathy on the transition of their Mother and our dear friend, Flo O'Hirok. Florence had been so happy to find Unity and jumped in with both feet. She started the ACA group, was part of the Women of Unity and attended our Birthday Bunch dinners. Flo was a beautiful soul. I had the pleasure of attending art classes with her. What talent! A celebration of Life was held at Unity with Sunshine members providing sweets. Unity was blessed to have had her presence, though it was a short time.

There are many kinds of losses and members of Unity are true animal lovers. Our fur babies provide unconditional love and companionship. We grieve deeply when they leave us.

Our loving arms hold Rev. Leora with sympathy and understanding in saying good-bye to her dear cat, Emily. "Miss Emily" graced Rev. Leora's life for 17 years with love and an "in charge" attitude. Our very hardest decision as a pet owner is knowing the time is here that we must say good-bye. Blessings to you Rev. Leora.

We send our love and sympathy to Irene Barnhouse on the loss of her dear cat, "Boots." Our fur babies are our companions and fill our lives with joy. Boots had shared life with Irene for almost 17 years as well. We grieve deeply when they cross The Rainbow Bridge. We send our blessing to dear Irene to help you heal.

To those of you that we were unaware of any loss in your life we send our love and rays of sunshine to help you heal.

Mission Statement: Unity Sunshine is a vibration of spiritual ambition illuminating and infusing care, compassion, connection as an outreach ministry.

Love and Blessings, Cookie

Birthday Bunch Dinner

On **MONDAY**, May 22th, at 5, 20 of us met at the **Anchor Inn**, on E. Florida. I was inundated by many who support the Birthday Bunch dinners asking that we make Anchor Inn our permanent home restaurant. I didn't want to support just one restaurant. There are too many great ones out there. Sad

news, Anchor Inn has closed their doors! Happy News, El Patron is moving in! All of us loved El Patron and we were sorry it burned to the ground. Once it is moved in we'll be back to that site right away. Our happy bunch has voted on Mondays being our new Birthday Bunch dinner night.

Jim Roberts is so happy that on **July 31st, at 5 o'clock**, we will meet at **Samurai** restaurant in the Hemet Mall. I was very hesitant choosing Samurai the first time as I thought it was **all** raw fish. Jim gave me a verbal lesson about cooked and raw fish dishes. **Samurai** is wonderful and I cannot wait to order their **cooked** Salmon Bento dinner! Plan on joining us.

We usually have 3-4 actual birthdays at our dinners. It does not need to be your birthday month. The evening truly represents our theme, Love Grows Here. It is an evening of laughter and the opportunity to know each other on a more personal level. One of our members, Flo O'Hirok, attended the last dinner at the Anchor Inn. We were so blessed to learn about her son who saved so many lives at the Twin Towers on 9-11. Flo made her transition that evening after returning home. Make a decision to form new friendships with us now. Don't wait, we are waiting for you!

Laughter and love. Cookie

Awakening the Dreamer Symposium coming in July

The Awakening the Dreamer Symposium will be presented in our sanctuary on **Sunday, July 9, 2017 from 1:30-5:30 PM**. The symposium is an interactive transformative educational program that explores the challenges facing humanity at this critical moment in time and the opportunities we have as a human family to create a better future for ourselves and our loved ones—one that is environmentally sustainable, spiritually fulfilling and socially just for everyone.

The symposium asks us to shift our perspective from a dominant culture of mass consumption to one that honors and sustains all of life. If you're someone who at times feels concern about our environment and the state of our planet, this program is for you. We promise you will leave feeling optimistic, inspired, empowered and hopefully ready to make a difference at any level. Educating yourself is an enormously helpful action to take. I believe it is wise to believe....We do not inherit the earth from our ancestors, we borrow it from our children.— Native American Proverb
